## **Heavy Duty Aftermarket Week '13 Recap**

The annual conference was held at The Mirage in Las Vegas, NV, Jan. 21-24.

More than 2,100 aftermarket industry leaders attended the three-day conference, including over 1,400 supplier and 590 distributor executives.

“HDAW ’13 provided an outstanding environment for suppliers and distributors to come together once again for networking and to support the independent heavy duty aftermarket industry.” said Tom Stewart, HDAW ’13 co-chair and TruckPro LLC's Director of Industry Affairs. “The phenomenal growth in HDAW participation suggests that the value and importance of HDAW to the heavy duty aftermarket industry continues to increase as we strive each year to improve its content and take away for those who attend.”

HDAW’ 14 will be held at The Mirage Hotel in Las Vegas, January 27-30, 2014.
